

# HISTORY ROOM AUDIO/VISUAL GUIDE

## **To present from a device (laptop, tablet, etc.):**

Use TV remote (located in top drawer) to turn on the television.

Select correct cable from bundle in center console of table and connect to your device.

(If needed, more adapters are located at the Ground Floor desk.)

Turn on your device.

Your content will appear on the screen after a brief pause.

## **Troubleshooting tip:**

Use “Source” button at top of TV remote and select HDMI 1.

## **To use Apple TV AirPlay:**

Turn on TV and your Apple device.

Select “screen mirroring” on your device, choose “Local History” and enter the 4-digit code that appears on the TV screen.

If unresponsive, you may need to wake up Apple TV with the remote. Located in top drawer.

## **To adjust volume for presentations:**

Use volume button on TV remote and/or adjust volume on your device.
