Top cabinet contents are in RED

Bottom cabinet, drawer and shelves are in BLACK

In Storage room there are duplicate yearbooks, Reading History Books and a second copy of the People of Middlesex County on the wall to the left as you enter. Also boxes of duplicate Town Reports, Street Lists and such that might go after digitization?? Old collection of Vital Records (beige books for all towns in MA) are still in beige archival bankers boxes in Storage. Everett Blodgett would like them if they are ever to be deaccessioned!
